

THE UNIVERSITY OF DĄBROWA GÓRNICZA

Dear candidates,

For many years the University of Dąbrowa Górnicza has been supporting talented students from all over the World. International Scholarship Programme provides an unique opportunity for personal development and successful career in globalized World. You can be the one to take advantage of this excellent opportunity and become a part of the University of Dąbrowa Górnicza academic community.

More than 20 years of extensive development of the University have resulted in the creation of a strong and internationally recognised academic centre which has attained the highest scientific category A granted by the Ministry of Science and Higher Education, with the right to confer PhD degrees.

The high quality of education at the University of Dąbrowa Górnicza is proven not least by the outstanding institutional mark, awarded for the first time to a Polish private university, by the Polish Accreditation Committee.

The range of educational programmes offered by the University includes Bachelor's and Master's degrees, Bachelor's degree in engineering, PhD and postgraduate programmes including the Executive MBA programme. Students can choose from 14 fields of study and over 70 specialisations. Over the past two decades, over 25,000 students have graduated from our university. Currently, more than 8000 people, including more than 800 international students, study at our University. Our internationalisation is one of the most recognisable aspects of the University's activities. Every year the University of Dąbrowa Górnicza takes part in numerous international programmes. Participation in EU and other international and research projects has grown into multilateral joint agreements with universities in many European and non-European countries.

I would be very happy to welcome you at the University of Dąbrowa Górnicza.

Yours sincerely,

RECTOR

Professor Zdzisława Dacko-Pikiewicz, PhD
